

A story of a Muslim man who has been transformed for the glory of God!

Dr. Art Mathias

As I was thinking about this powerful testimony today, I also received some very special news regarding Wellspring Ministries in Pakistan. Please take a moment to pray, believe, intercede and respond to what you can do to help change this part of our World!

These areas have never been reached with the Gospel of Christ. We need prayer support as well as monthly financial support. If you can give a one-time gift or monthly support -anything is appreciated. We know there are many "Mario's" waiting to hear the Gospel preached in their own language!

Many wonderful blessings on each of you and thank you in advance for being obedient to the Spirit of the Living God!

Notes from Video by Dr. Art Mathias

Mario was a devout Muslim teacher and explains that someone from one of his audiences asked him a question: "Who is Jesus". So Mario read the entire Koran again, all 114 chapters and 6666 words searching for the answer.

He found that Mohammad was mentioned only 4 times while Jesus was mentioned 25 times.

Why?

Also he noticed that there was only one women's name in the Koran. Not the wife or daughters of Mohammad, but Mariam the mother of Jesus. In fact chapter 3 of the Koran is called "The Family of Mariam." Chapter 19 is called "Mariam."

Why?

Chapter 3:34 says that Mariam was born without original sin and never sinned. Chapter 50:23 says that Mariam was a virgin and went to heaven with her physical body.

He also learned that Chapter 3:45-55 of the Koran teach 10 very important things about Jesus.

The Koran calls Jesus

1. The Word
2. The spirit of God
3. Jesus Christ
4. The Koran says that Jesus spoke when he was 2-3 days old
5. The Koran says that Jesus created a bird from mud and breathed life into it. So he can give life.
6. Healed a man born blind, healed leprosy and other diseases.
7. Raised the dead

8. Went to heaven
9. Is still alive
10. And will come again

Mario then wondered what the Koran says about Mohammed. The Koran and Islam teach that:

1. Mohammed is not the Word
2. Is not the spirit of God
3. Is not Jesus Christ
4. Never spoke as a small baby
5. Never gave or created life
6. Never healed
7. Never raised the dead
8. Died
9. Is not alive
10. Will not return

Then Mario asked his teacher a very important question: "How did God create the universe?"

His teacher of ten years at the Arabic College said "The Word" created the universe.

Then Mario asked: "Is the Word the creation or the Creator?" He asked this because he knew the Creator had to be God. His instructor said the Word was the Creator. Thus according to the Koran, Jesus is the Creator and therefore God. He concluded that Muslims must become Christians.
