*"The Spirit of the Lord is upon me because He has anointed me to preach the gospel to the poor;
He has sent me to heal the brokenhearted,
to proclaim liberty to the captives and recovery of sight to the blind;
to set at liberty those that are broken,
and to proclaim the acceptable year of the Lord." Luke 4:18-19*

Dear Family and Friends of Wellspring,

Ten years ago we purchased our building to have office and church space and for the purpose of having rental income to fund the Ministry. This has worked very well when we had a good tenant. Two years ago that tenant moved and we have not been able to replace them. We have been crying out to God for over two years for a tenant or for a buyer and neither have happened so far.

Wellspring Ministries is at a huge crossroads. For the past two years we have been borrowing about \$25,000 per month to make the mortgage payments on our building and to support our counseling ministry. The counseling ministry costs us about \$100,000 per year. We simply cannot continue to do this.

"Because of Wellspring Ministries, I am a changed, healed woman and I thank God for you often!" Rhonda S. Oregon

Many, many lives have been changed, healed and set free!

- Our books have sold over 120,000 copies.
- We have taught 100's of conferences all over the world.
- We have established offices and ministry partners in many nations.
- Churches have been started in India, Nepal, Pakistan, Africa and more.
- We have ministered to over 100 people per week for almost 18 years.
- Our School of Ministry has trained over a 1,000 counselors to go and set others free, as they have been set free!

"So your teaching me has spread outwards just like a wave to many more!" Sarah U. Wisconsin

We believe what God is doing through Wellspring is NOT OVER...and we are looking to Him for a WAY to get into a place of financial stability where we can continue His work of setting the captives free. What does that WAY look like and how does God want you to be involved?

We need a miracle for Wellspring to survive and continue its work. We do not know the future because we know the ONE who knows it all, and holds it all in the palm of His hands. We believe God wants

Wellspring to continue. It is a matter of trusting Him to see just how He will lead the ministry through this crisis.

*"I had a sleeping disorder for as long as I can remember and it became worse through the military service. It was healed completely as I prayed through issues at the School of Ministry!"
Steve M. Alaska*

Like Moses, we are hard pressed on every side....Pharaoh's army on one side closing in, and an ocean on the other. What is the way forward? We are trusting God to miraculously open a way for Wellspring to "get to the other side," and continue to lead a multitude into the fullness of their Christian life-body, soul and spirit.

How can you help?

Our vision: We believe God is raising up an army to help Wellspring through the current financial crunch by either paying off the mortgage or covering the monthly shortfall.

Appraisal on our building is over \$8 million dollars and presently \$2.4 million is owed.
