Did Jesus Abolish The Law or Not? by Pastor Pat Hadley

Have you ever wondered what Jesus meant by some of his teachings that don't seem to make sense? For example, what did Jesus *really* mean when He said: "Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them but to fulfill them." (Matt. 5:17). Was He saying, as has been taught, that we who follow Jesus have no responsibility or connection to the "Law" of the "Old Testament?" Does that really make sense? That answer may surprise you!

Find out the answer to this question and more by reading Pastor Pat's sermon notes on "[Torah! Torah! Torah!](#)" by clicking this link.
