## This Week @ Wellspring!

**Revelation 12:11** *"They defeated him because of the Lamb's blood and because of the message of their witness (testimony). Even when facing death they did not cling to life."* (CJB version) "This Week @ Wellspring" are condensed testimonies we at Wellspring have heard or seen personally. Please email us with YOUR testimony to: [hope@akwellspring.com](mailto:hope@akwellspring.com)!

- "After praying through prayers of unbelief and the "Deaf and Dumb" prayer, I received healing from the backache I've had from Post Traumatic Stress Disorder. It is MUCH better!" N. 10-1-19
  - "I was in stuck in bitterness and self-bitterness from incest and lack of love. I have forgiven Mom and Dad. I have no pain in my memories and I love my parents after 60 plus years of bitterness. I now know how to capture my thoughts and say "no" to the devils' tormentors of "**replay**" in my mind. I am choosing activities that I love which are calming and peaceful. I can "knit" again!" M. 10-2-19
  - "After ministering in forgiveness and repentance in a church in Folkestone, UK the pastor came to me and said that was truly spoken from God's heart. The people were healed from bitterness and resentment. Two days later I received a call from a lady who was at church when I spoke. She seen a lady with whom she had a problem, stopped her and asked her for forgiveness and felt the heavy burden roll away from her back!" Pastor Daniel from Nepal

## Pakistan Ministry

Dr. Jefferson has been able to secure land for a new Wellspring Church. Bricks have been purchased to begin construction. This is a wonderful answer to prayer. New bricks are waiting to be set in place!

Recently we were able to bless eight widows with brand new sewing machines to help them support themselves with making beautiful clothing to sell and bless others! Thank you for everyone who donated to help this effort!
