This Week @ Wellspring!

Encouraging, life giving, healing, new friendships and relationships. "This Week @ Wellspring" are condensed testimonies we at Wellspring have heard or seen personally. God is alive and doing great and marvelous things.

- "After YEARS with no answers to daily rectal bleeding - going to several doctors and doing "treatments", I have received my healing! Forgiving parents and husband, repenting for things I had participated in, I am agreeing with my Heavenly Father about my true identity. I am healed. It has been three months with no bleeding." J. Andersen
- "My digestion system has improved and feeling much better. Coming back into peace in my life instead of chaos and confusion." FM
- "Free of insomnia! Sleeping without medication. Life changing, I have energy, no more mood swings." RH
- "Through this ministry each week, I have learned how my unhealthy thought patterns were harming my body, mind and spirit. Through prayers of repentance and forgiveness, my "load" has lightened, peace has come. My husband noticed it first and now others. Barriers that kept me isolated have been falling down and I am experiencing healing to chemical and electrical

hypersensitivities. I feel stronger. My mind is clear. Fear is no longer ruling and paralyzing my life!" S. S

"Thanks be to God who works in you to will and to act in order to fulfill His good purpose." Philippians 2:13. Please email us with YOUR testimony to:
