

December 2019

Hello Friends,

This end of the year and end of decade letter is filled with testimonies and encouraging words about what has been happening at Wellspring in Alaska and around the World. As you read these please thank God for His wonderful answers to our challenges in life. We are also sharing needs. We know that our God has answers to these challenges.

In the past year we have repeated many testimonies from people that have been dramatically changed by the power of God's Word and how they have also changed the world! God is alive and doing great and marvelous things. "Thanks be to God who works in you to will and to act in order to fulfill His good purpose." Philippians 2:13. Here are a few excerpts:

- Biblical Foundations of Freedom is the religious education I never received growing up in my family or church. Now I understand the plans of the enemy and know how to overcome! My life is so different now! E.K.
 - Since receiving Prayer Ministry at Wellspring my liver is now in the normal range numbers and my kidneys – No Tuberculosis! V.C.
 - Before I started Wellspring Prayer Ministry I was in a deep state of depression. I was not aware of how powerful I am in God and didn't realize that I had control over my emotions and ways of thinking. Once I started applying what I learned through this ministry, it changed my life in the best way! C.B. -16 years old.
 - "Since working through prayers of repentance and forgiveness in ministry sessions, my blood sugar numbers are going down!" F.T.
 - Our "home relationship" with my husband is changing! As I am obedient to pray and forgive, God is faithful to do His part. My husband is much more interested in knowing more about Wellspring and our home is more peaceful! P.K.
 - "I'm not stuck in guilt and shame. God called me out like Lazarus!" J.B.
 - "Relief from jealousy, self-bitterness and anger at God for 'letting it happen'. I accept that I CHOOSE my identity." N.B.
 - "I am free of trembling when others yell at me as the "fear of intimidation is gone!" F.T.
 - "My whole life has changed since learning how to forgive, love and repent!" V.A.
-

- “I have been off Anti-anxiety and Anti-depressant drugs for 2 years. No migraines for 2 years. Life is much more calm and stable.” H.T.
- “I was in bondage to bitterness and self-bitterness from incest and lack of love. I have forgiven Mom and Dad. I have no pain in my memories. I love my parents after 60 plus years of bitterness. I understand my power to capture my thoughts and say “no” to the devils’ tormentors of “replay” in my mind. I am choosing activities I love that are calming and peaceful. I can “knit” again!” A.K.
- From Shalom Center in New Jersey (1-on-1 ministry) "A young girl was suffering seizures, unexplained blackouts, erratic behavior and loss of ability to focus on regular tasks. Our prayer team was able to minister to the family this this crisis. We rejoice with the family, she is restored to health and her normal personality and a healthy relationship with her family!" S.G.

AROUND THE WORLD TESTIMONIES AND UPDATES:

WELLSPRING MINISTRY IN KENYA - Pastor Joseph Chege

Leaders of Wellspring Ministry in Kenya. (L) Mrs. Eunice Thuku, Pastor Thuku, Mr. Kifande, Mrs. Mary Chege, Pastor Joseph Chege

- Wellspring Ministry was officially registered in Kenya early 2019 with the help of Wellspring Ministry of Alaska. Our old building became uninhabitable so we are building a new one out of brick. Walls are now up and we are raising funds for a roof.
 - Our orphanage cares for six teenage children that joined the orphanage while below the age of 6 years. Our farm which was bought to help finance the orphanage is now equipped with a good irrigation system. We are growing crops which supplies the orphanage with food and the surplus is sold for income. We would like to have a cow on the farm to provide milk for the orphanage.
 - We travel to remote villages teaching Wellspring Conferences where people are held captive by witchcraft, false teachings and traditional religions. Many people walk long distances to reach the venue of the conference. We have witnessed many miracles of healing emotional, spiritual and physical during our conferences.
-

PRAYER REQUESTS FOR WELLSRING KENYA :

1. Completion of Wellspring Church building. Funds for Roof \$2900 USD
2. Funds for the high school education of the children in orphanage.
3. We need a truck for Transportation of farm produce to the market & a cow to provide milk.
4. Opening of a new church in Gilgil.

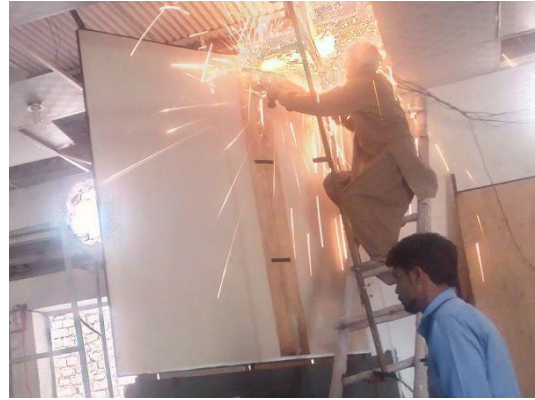

WELLSRING MEXICO - John and Judy Whitener

Judy Whitener Teaching at Minister's Conference in Mexico

- Judy shares: "I just got back from my fourth trip up to Matamoros (across the border from Brownsville, Texas.) Genesis TV has recorded Wellspring classes and has released them periodically in their TV programming. They are now only using the Wellspring Prayer card when people call in for prayer.
 - I shared in three churches in Ecuador, close to a thousand were blessed. A Wellspring Ecuador team is teaching classes and planning to attend the School of Ministry in Mexico.
 - Wellspring Mexico School of Ministry had 70 in attendance this year. Afterwards I taught the I Found Freedom classes in Nuevo Laredo and visited again at Genesis TV. Our next School of Ministry in Mexico will be July 31 through August 7, 2020.
 - Jose' and Leonor Luis are heading up the Wellspring Cuba ministry. They are constantly holding seminars in the facilities they have built during the past seven years. They have printed 5,000 Biblical Foundations of Freedom in Cuba.
 - God is giving Wellspring Mexico many effective doors. Thank you for every moment of work, every dollar and thousands of prayers that have made your investment into Latin America possible."
-

WELLSPRING PAKISTAN - Dr. Jefferson Ghauri

New Wellspring Church Building Sargoda, Pakistan

Our friends in Pakistan have started work on another building for the Glory of God! This building is moving along very smoothly since November. They have built seven other Wellspring Churches in Pakistan and this one is in the heart of the Punjab province. It is the fastest growing city and it is called the "City of Eagles." They are teaching Wellspring ministry materials and ministering in love and healing.

PRAYER REQUESTS: Finances to provide gifts to widows and orphans of food and warm clothes. If you would like to donate for this, please mark your donation "Pakistan".

WELLSPRING INDIA AND WELLSPRING NEPAL

Wellspring Ministries in India and Nepal are both experience extreme persecution. Please pray for our partners Pastor Daniel in Nepal and Pastors Joe and Susan in India. In both countries the government is controlled by Hindu's that are trying to purge their nations of Christians. It is illegal to share your Christian faith. Friends and relatives are turning hostile and discriminating out of fear of reprisal from the government. The society is becoming more and more hostile to churches. Joe and Susan have lost their home, which was also the church building. They are renting a very small home that is not big enough for the church also. The government is also trying to take away the access to Daniel's home.

Finances are very limited. Please pray for resources and encouragement!

WELLSPRING CANADA- Pastor Ivan Mendez

"After several years of teaching "I Found Freedom" conferences, our congregation asked for a "school of ministry" in Spanish here in Toronto. We said, "yes!" It was well received and many received the healing they were seeking of broken hearts. Thank you Dr. Art and Wellspring staff for helping us accomplish this wonderful school in our country."

ARGENTINA - Pastor David Greco from New Jersey

"I am in Argentina ministering in the King of Kings Church, Buenos Aires. I have been teaching "I Found Freedom" in Portuguese. Last night thousands of people were healed and set free!"

SYRIA - SOM Alumni Becky D.

"While on a mission trip I was able to minister to a few ladies and see dramatic results. A Syrian lady lost fifteen family members in one day. Depressed and with no hope, she and her husband hated life, and wondered why people in church were happy. She went to a discipleship class and decided to compare the Bible with her book. She had no peace, hope, or joy and in pain all the time. She said that she had heard about the power of prayer and decided to test it. Crying she prayed and asked for peace and said, "If you are the real God, I want peace." She told me she felt a power and something in her stomach. She felt different and took off her black clothes she had worn because of all the deaths. Now she has peace. When people ask her, she tells them that her God is a god of peace!

I hope that you are encouraged by these few testimonies. YHWH's miracles continue! Please know we love and appreciate each of you who are standing with us in prayer and finances and even in person. It is great to meet you at a conference or a school. Many of our testimonies generate from One-On-One Prayer Ministry, where clients receive personal healing. If you are interested in this ministry, please click [HERE](#) for more information.

Please take a few minutes to pray and ask YHWH how you can encourage our partners from all over the world. I am always amazed at what God's people do to help others. Below there is a "donation" link. Please click on it and send a gift for Wellspring Ministries and/or our partners. Just let us know where to apply your gift in the note sections of PayPal or MinistryLinq, or on your mailed donation.

God Bless You!
