# Wellspring Ministries

"Understanding is a wellspring of life to him who has it..."

Hello Friends,

If you listen to the "lame" stream media, you would think that the world is coming to an end! It seems that is what they want, so we can be rescued by their one world government or some form of socialism. But YHWH, the God of the Bible, has other plans. He wants His people to prosper and to have real answers. Sadly, some believe that the world has to get worse and worse so our Messiah can return. I believe that is a defeatist, fatalistic doctrine. YHWH has promised **VICTORY IN JESUS** in this life, if we love Him. Jesus says, "If you love me you will obey me."

**We have a CHOICE!** Are we going to be controlled by fear and anxiety? Are we going to go the way of the world? If you go to the grocery store it would seem that is the state of most people. But we, that have a Covenant relationship with YHWH, are not most people. **YHWH has given us a plan to Thrive.** He has given us His Torah or instructions and precepts—His strategy to be overcomers and walk in victory. This was written by Yeshua (Jesus) with His own hand in stone.

To walk in victory, we cannot be controlled by fear and anxiety. Being controlled by fear and anxiety is the opposite of faith. And usually fears have some level of bitterness attached to them. Remember, each and **every individual makes a CHOICE** whether to live in fear and anxiety or peace and joy!

So, first, can we **begin by forgiving and repenting**? Please forgive all those who are using this virus for their gain; forgive the politics and politicians; those who created the virus and let it spread; the fear mongers; and anyone or anything else as the Holy Spirit leads.

Next let's **repent** for our fears and anxieties. Remember fear is not faith. Repent for the fear of dying; getting sick; not having necessities; travel etc. etc. Use the simple Wellspring Prayer (reprinted below) and let God tell you His TRUTH!

Did He bring you peace? If not, keep on forgiving and repenting until you have peace.

**Next, let's remember His promises.** Read Psalms 91:1-16 CJB

"You who live in the shelter of YHWH, who spend your nights in the shadow of Shaddai, who say to Adonai, My refuge! My fortress! My God, in whom I trust— He will rescue you from the trap of the hunter and from the plague of calamities; he will cover you with his pinions, and under his wings you will find refuge; his truth is a shield and protection. You will not fear the terrors of night or the arrow that flies by day, or the plague that roams in the dark, or the scourge that wreaks havoc at noon. A thousand may fall at your side, ten thousand at your right hand; but it won't come near you. Only keep your eyes open, and you will see how the wicked are punished. For you have made Adonai, the Most High, who is my refuge, your dwelling-place. No disaster will happen to you, no calamity will come near your tent; for he will order his angels to care for you and guard you wherever you go. They will carry you in their hands, so that you won't trip on a stone. You will tread down lions and snakes, young lions and serpents you will trample underfoot. "Because he loves me, I will rescue him; because he knows my name, I will protect him. He will call on me, and I will answer him. I will be with him when he is in trouble. I will extricate him and bring him honor. I will satisfy him with long life and show him my salvation."

**The key takeaway from these verses is the IF'S; IF we live in His shelter; IF we live in obedience to Him! NOTHING ELSE MATTERS!!**

We also need to be smart and follow good hygiene practices. If you have a strong immune system you will be fine. If your immune system is compromised take extra care and find out why it is compromised and fix it. If you need help call us.

**More people will die and be hurt because of the fear and anxiety than by this virus.**

**Now let's develop a strategy to THRIVE!**

**You were created by YHWH for such a time as this!** Just yesterday I was able to pray with an unbeliever that was very anxious and fearful about this virus. This would have never happened under normal circumstances. This person was willing to pray and forgive the fear mongers and repent for allowing the fear to control them. Then God brought His peace. This miracle will lead to their salvation! **You will have many opportunities just like this one. Take advantage of them. As we share His answers, we grow His Kingdom.**

**Remember we overcome by DOING what His Torah or Word says.** Forgiving and repenting are our responsibilities in our Covenant with YHWH. Then, His part is to take the bitterness and the fear and bring peace. This only happens when we do our part. So, first, we get rid the bitterness and anger and fear; then we can help others. **AS we learn to walk closer to Him, we prosper in every aspect of our lives.** That is His promise.

**We can also ask Him for a strategy to prosper financially!** The stock market has lost trillions of dollars. This has happened before and it will come back very quickly. In the very near future there will be many incredible buying opportunities! Make a plan to BUY soon.

Be happy; Be positive; Walk in Faith, Hope and Love! There has never been a more exciting time to be alive!

PS. Please forward to your friends!
